

Buddhi Weerasinghe

Lower Sunbury and Halliford candidate

My name is Buddhi, and I live in Halliford with my wife and children. As a working husband and father, I know what concerns residents because the same things concern me.

My priorities are to represent residents on local issues such as:

Road Safety

Improving safety and wellbeing is a key responsibility of local authorities. I will build on the ongoing work to extend the 20mph zone in Lower Sunbury and continue to encourage and enable more cycling and walking, and ensure roads and footpaths are safe.

Our Green Environment

Whilst we all understand the need to build homes, our Green Belt is a critical 'lung' in all our lives. I will continue to support and protect the Green Belt.

Eco Park Residents are rightly concerned about the Eco Park. I support Surrey County Council's decision to take legal action against the contractor. I will continue to do all I can to get the gasifier and its stack removed.

Flooding

Recent flooding showed how vulnerable our riverside properties are in extreme conditions. I support the Lower Thames Relief Scheme and will press for further protection for Sunbury.

About Your Local Candidate Buddhi Weerasinghe

"As your County Councillor I aim to improve the lives of all our residents, particularly those affected by Covid-19, but also to support SEND provisions for young people, protect and improve the local environment, oppose Green Belt development, and work with all authorities to find a solution to riverside flooding and air quality. I'll continue to fight for safer roads, pavement improvements, local businesses, and the 'Make Spelthorne Zone 6 Campaign', particularly for Sunbury and Upper Halliford Stations."

- Community Activist and Volunteer for over 30 years
- School governor for four years
- Charity Trustee on several charities
- Volunteer Teacher
- Delivered a local Rapid Covid Response project on Mental Health for young people
- Worked closely with County Councillor Tim Evans on issues affecting our community
